

Confirmed Vote Tally After Recount Held 11/10/07

Shaded Rows Contain Corrected Numbers

The November 4, 2007 special membership meeting took place last night. At approximately 7:30 PM, the discussion period of the meeting ended at which we adjourned to vote. By approximately 8:00 PM, all of the votes had been cast and the meeting room had been cleared. The Voting Proctor Committee began the difficult task of validating and counting the votes. Their work was observed by Erin Muellenberg representing the Board and Joe Syiek representing himself. The Panel took every precaution to ensure that the process was fair and the results were accurately determined. At approximately 1:30 AM, they announced the final results. There was a total of 187 valid ballots cast, 3 ballots cast by minors and 7 ballots determined to be invalid. Given this information, it was determined that 94 "Yes" votes were required to declare a resolution as passed. Following the announcement of the results, a recount was requested. The recount was conducted on 11/10/07. The final results did not change a few counts were adjusted. The table below indicates the final results.
